## APPLICATION FOR PERMISSION TO CONNECT A RESIDENTIAL PROPERTY SEWER TO THE VILLAGE OF ROCHESTER SEWAGE DISPOSAL SYSTEM

The undersigned (hereinafter called Applicant) hereby requests connection to the Rochester Village Sanitation Sewage System, subject to the rules and regulations as set forth in Chapter 54 of the Village of Rochester ordinances.

Applicant agrees to furnish such information as is required by the Village Superintendent of Public Works before work is started, and to make such installation only after receiving authority to make such installation and connection from the Village Superintendent of Public Works.

Applicant further agrees that the entire cost of making this connection, including street repairs necessary to return street to original condition, will be paid by applicant.

Furthermore, with this request, the Applicant acknowledges responsibility to obtain the Sangamon County Water Reclamation District's authorization for the requested work and agrees that no installation or connection shall be initiated until the Sangamon County Reclamation District has approved and permitted such work.

In areas where the meter pits have been installed by the developer and the Applicant chooses to locate the driveway over the meter pit, the Applicant agrees that he will pay the additional cost to have the meter pit relocated. No meter pits will be allowed in driveways because of future maintenance concerns.
